suppléméntaire:	Steel wheels, PAS, Rear wiper, CD/Radio, Front head restraints. Low Mileage for age at 71000 miles. We are the second owner from new. The car has always been serviced at Citroen from new. Taxed until end of October. MOT until end of August 2013. This is in very good condition for its age. It is a very tidy car but has the odd little mark here and there but nothing that stands out except it does have a small dent on the boot as shown in the picture. This is a small dent and could probably be easily pulled out by a dent specialist if you should wish to have it removed. The interior is in very good condition. There are no rips or damage to the seats
