option and rarely seen on this marque. One of the main features of the Mulliner Spec is the Diamond Quilted Leather which is finished in Beluga Black with Portland Stitching. Other Mulliner touches include the Piano Black Trim, 20" Two Piece Alloys and other smaller refinements. Like all GTCs this car is awash with luxuries such as climate control, sat nav, bluetooth and electric everything. In addition to the standard features this car was produced with a few cost options including Reverse Camera, Power Boot, NavTrak, Deep Pile Rugs etc. This GTC has Full Main Dealer Service History just serviced, and a Bentley Warranty through to September which can be extended.
