guaranteed miles in a lovely colour combination, the car has benefited from a brand new service at Lexus with full Lexus history, new MOT, new Dunlop tyres all round and taxed to the end of January 2014. This has to be the best example out there. Fantastic specification which includes, unmarked 18 inch alloys, dual climate control, sunroof, active traction control (TRC), park control front & rear with reverse camera, unmarked heated and cooled leather with memory, DVD based Lexus Navigation system with voice recognition and Electronic Traffic Avoidance, touch screen Bluetooth phone interface and audio control, 6CD changer, cruise control, keyless entry and start, dual climate control, electrically multi-adjustable power tilt + telescopic steering wheel, auto lights wipers and dimming.The GS is hushed, refined and has masses of kit, It is the most refined car in its class. Different and more reliable than a Mercedes and low numbers keeps depreciation in check, The 4.3 V8 engine suits the cars relaxed nature best. It is an accomplished and comfortable cruiser, wafted along linked to a six-speed auto gearbox. It feels serene. There is no wind noise up to the national speed limit. All the while, the gear changes are fantastically smooth and the engines do little more than whisper, even when they are working hard.
