Alloy wheels. A beautiful SLK which I bought for
myself over a year ago and she has been fantastic
ever since. This car has served me well and been to
Ireland with me a few times as well as many trips to
London and other cities in the uk. With her top off
she is a sight to behold...She's nearly as gorgeous as
my mam. Summer is just around the corner so be
quick and take her home with you and have as much
fun in her as I have, Experian auto check clear,
