Volvo S40 2.0i CD Automatic in Classic White with Full Black Leather Upholstery and Walnut Trim. Comes complete with TAX & MOT until 30th March 2015! Also has a FULL service history with 16 stamps in the service book, so has clearly been very well looked after. The bodywork would benefit from a polish but is generally in very good condition and the interior is in excellent condition for it's age too. Drives very well. Only had 2 previous owners with the last owner over 12 years. Fully HPi Clear and comes with two sets of keys and remotes. This particular S40 has to have had almost every option ordered when new. It's specification includes; Climate Control with COLD Air Con, Electric Sunroof, Cruise Control, Heated Seats, Traction Control, Trip Computer, CD Player, Front & Rear Electric Windows, Remote Locking, Front & Side Air Bags, ABS, PAS, Alloy Wheels, Front Fog Lights, Rear Armrest, Electric Mirrors and much more! A great value S40 Auto which is ready to drive away. Part Exchange Considered.
