GREEN, Another beautiful Cobra by AK Sports cars, What we like about AK's cars is that they are all so different, Some are mean and aggressive and some are great for the track, and some are great touring cars, This immaculate AK is one of the latter, A really nice easy car to drive with great road presence and sound track and a great car for touring, Power assisted clutch for nice easy smooth gear changes, nice lighter steering, Aston style Fuel fillers on both sides of the car for those European trips, Full wet weather equipment: Double Duck Hood, Side screens with sliding windows, Full Tonneau cover, Wind wings and Green tinted sun visors, 15" Hallibrand style wheels with higher profile tyres for the more comfortable ride.
