Further Details: E. This will be a good project car for someone. The

bumpers need painting as well as the N/S sill and bottom of passenger door. The dash is showing a fault with the airbag. The remote locking is sometimes intermittent but could be solved with a new battery as its been standing for a while. There are one or two trim items that we need repairing too. The mileage looks to be genuine, backed up with all the previous MOT Certificates but unfortunately the Service Log has been lost along the way. The switch telling the car its in PARK needs looking at too as sometimes the car will not start and you have to give it a wiggle. It has come in to us and we have nothing to hide just looking
