What a very rare find this car is! This XJ6 has had 1 owner since she was 3 months old, and benefits from a very impressive 19 Stamp Service History and MOT to Jan 2014! The car is a delight to drive and has lost none of its road presence or quality over the last 18 years. I have to say she is one of the nicest examples of this model available today. The drive is smooth and quiet and everything works. She really is a modern classic and would not look out of place in a collection
