An outstanding example finished in pearlescent Funk White (looks stunning and much better than the usual plain Bossa Nova white) with grey alloys and full red leather interior, this has the added attraction of an approved Abarth dealer supplied 197bhp tuning package (with documentation), a considerable enhancement to the standard Esseesse's 160bhp. It comes with a "Monza" quad tailpipe exhaust, Blue & Me bluetooth handsfree & voice control, USB iPod input, multi function steering wheel, digital climate control, switchable Sport mode & there's a dash mounted boost gauge & gear shift indicator. Beautifully kept with a full Abarth main dealer service history - 3 services in total, there's a spare key, new Pirelli P Zero Nero tyres.
