The name says it all. And from your first glimpse of the fastest, most powerful two-door coupÃ© that Bentley makes, you know itâs the perfect description. With 21" wheels and lowered suspension, darkened grille and front bumper intakes glinting in the light, the Continental GT Speed makes no secret of its intent. If you love to drive far and fast, if the exhilaration of a 625PS, 800Nm engine and eight-speed close-ratio transmission makes your heart race, this is your car. Please contact
